

Mahesh (Mak) - Bass

Anchoring the rhythm section for VSM, with Arun, Mak plays in the pocket and keeps the song moving. He enjoys playing rock and has been a part of a few different cover acts in the valley. His influences include rock, metal, and progressive rock. He is thrilled and feels blessed to be playing with some of the bay area's finest musicians in his latest band VSM. You can count on him to provide a solid backing to their repertoire. He plays Keith Roscoe and Muckelroy basses and trusts Mark bass for amplification.
